At 6:30 pm, the business portion of the meeting was called to order. BNA chair John Devine thanks members for attending and outlined the brief agenda. He then read out the names of all the nominees for the 2021 steering committee slate. He thanked steering committee members who were stepping down or taking new roles on the committee. He particularly thanked Kristen Morales and Hillary Brown for their work on publicity and the BNA newsletters over the years.

He asked if there were any nominations from the floor. None were heard. He then called for a motion to approve adopting the proposed slate of officers for 2020. Member Travis Burch so moved. Member Neal Barille seconded. The vote was called, and approved by unanimous acclamation.
